

PHOTOGRAPHERS RELEASE FORM

For the purposes of the exhibit, “**Points of View**”, I understand that I am submitting one photograph to CCAC for the purposes of allowing a maximum of three (3) artists of three different mediums, the opportunity to use it as reference material in creating their interpretations. These works, alongside my framed photograph, will be exhibited in the “**Points of View**” June 16th-July 11th.

I also understand that all contributing artists agree that there will be no other reproductions or copies of my photograph or of any work which was created with my photograph as reference material.

I understand that submitting an image for review does not guarantee the image will be selected for the show. My image must be selected by an artist to be included in the “Points of View” exhibit.
